small meetings have big perks

Hilton Meetings deliver productive, successful, hassle-free meetings, every time. The Hilton Nashville Downtown aims to make your meetings smarter, environmentally-friendly and more personal. You'll find sophisticated, media-ready boardrooms and multi-purpose rooms that hold up to 50 participants along with service that inspires guests and respects the environment.

time saving technology

connectivity is seamless with high-speed internet access, data points built into the tables for quick, easy power and internet connections, 3M™ digital easel, exceptional audio/visual equipment and video conferencing.

unrivaled support

the Service Connect System provides you with a point of contact for service and technical support before, during and after your meeting at the touch of a button.

enhanced food & beverage service

enjoy flexible menu options, a fully stocked refrigerator and a meetings service team that is on call to meet your every need.

online group accommodation tools

receive instant price quotes and book group accommodations online for up to 25 guests. meeting organizers will know when attendees book their rooms and be able to make reservations for other guests plus monitor the room list 24/7 through Guest List Manager. guests will have access to a Personalized Online Group web page where they can book directly and access customized information about their event or meeting.

environmentally friendly

we are working hard to minimize a meeting's impact on the environment. online tools reduce the need for paper, and all stationery is printed on recycled paper using eco-friendly inks. sleek, hard table surfaces eliminate the need for linen coverings and laundering.
